Yeah, it's Father's Day and what better present to give than a ride through the Sierras on "His" Day. They just opened Wentworth Springs Road last week, so let's ride it while everything is Spring Green !

We'll Head up Wentworth Springs Road, Down Ice House Road and have lunch at the historic Sportsmen's Hall in Placerville. We should be back home early afternoon so the Dads can be pampered by the family later on ☺ Round Trip is ~130 mi., 3 hours of saddle time
